MORTGAGE

What military documents would I need to have in order to get a VA mortgage?

Type of Service	Acceptable Documents
Active Duty Army, Navy, USAF, Marines	DD-214
US Coast Guard	CG-718a
Reserves	DD-256
Nat. Guard or Air Nat. Guard	NGB-22

I don't know if I still have my documents from when I served. How can I retrieve them?

There are three websites that should be able to help you, they are:

vetrecs.archives.gov
archives.gov/veterans/military-service-records/
ebenefits.va.gov

*If you have difficulty retrieving information from any of these sites, the local recruiting office for your branch would be able to assist.

I have my discharge paperwork, but would like help obtaining my Certificate of Eligibility

Contact your lender.

I served, but it was a very long time ago. Do my VA benefits for a mortgage expire?

No, VA Home Loan benefits never expire. You can use your VA benefit as long as you're alive.

I used my VA mortgage along time ago to buy a home. That means I can't use it again, right?

The VA Mortgage can be used several times over. If the previous home was sold, your entitlement should be fully reinstated.

What is the minimum credit score to obtain a VA mortgage?

The VA does not have a minimum credit score, but lenders will have their own internal overlay. If your score is greater than 580, you are likely a candidate for the VA mortgage.

Can I use the VA loan to buy a condo?

You can, with the same terms as buying a detached single family residence. However, we do have to see if the condo association is VA approved. Check this website:

vip.vba.va.gov/portal/VBAH/VBAHome/condopudsearch

I relocated here and have a home in my hometown. I kept the home and it has a VA mortgage on it now. Can I get another VA mortgage?

You can get another VA Mortgage. Mutual of Omaha Mortgage will calculate your remaining entitlement to compute your maximum loan amount with no money down and/or what you would have to put down if you exceed the remaining entitlement.

Can I build a home with a VA Home Loan?

Yes, but there are several clauses that may make this difficult to accomplish. Many veterans use their VA Home Loan Certificate of Eligibility to negotiate in good faith a private home construction loan and then refinance the completed home using VA Home Loans.

I heard the VA Mortgage was more expensive than other mortgage types. Is that true?

There is a mandatory funding fee on all VA mortgages (unless the borrowing veteran is receiving a VA related disability, then the funding fee is waived). The funding fee is built over and above the loan amount and the fees are as below.

Funding Fee Tables

Type of Loan	Down Payment	Percentage for First Time Use	Percentage for Subsequent Use
Purchase & Construction Loans	None	2.30%	3.60%
	5 - 9.99%	1.65%	1.65%
	10% or more	1.40%	1.40%
Cash-Out Refinance Loans	N/A	2.3%	3.60%
IRRRLs	N/A	0.5%	0.5%
Loan Assumptions	N/A	0.5%	0.5%
